

Consent to Use Personal Data

Description: As part of the scholarship application process, personal data such as name, contact details, academic information and other relevant documents will be collected and processed. This data will only be used for the purpose of evaluating the application and following up the scholarship award process, and will be treated confidentially in accordance with the data protection regulations in force in Germany (GDPR). The data will only be passed on to the relevant departments and will not be passed on to third parties without the express consent of the owner. Upon completion of the application and scholarship process, the data will be deleted in accordance with legal requirements.

Applicant's Approval:

I consent to the use of my personal data by the Association for the purposes set out above.

Applicant:

Name Surname:
